The Honorable Kay Granger  
Chairwoman  
House Committee on Appropriations  
Washington, DC 20515

The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Effingham County Effluent Line Construction project in fiscal year 2024. The entity to receive funding for this project is Effingham County located at 804 South Laurel Street, Springfield, GA 31329.

The funding would be used for Construction of 22,500 feet of 12 to 16-inch sewer force main along Blue Jay Road, from Greystone Drive to SR 17 to accommodate the growing water and sewer demands in the County.

The project is an appropriate use of taxpayer funds because the project will improve water service areas and allow water flow to better maintained, increasing water pressure and quality throughout the County so it can sustain growth caused by significant economic development projects.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sincerely,

Earl L. "Buddy" Carter  
Member of Congress
